Dear Dave

thanks alot for the big blue
one, it likes very good of egg, and a
very nice letter you sent, you are a
very lucky man to be able to tour the
world like you do. I'm sorry your
wife (or is it ex wife) has been
giving you a hard time. Sometimes I wish
I'd been married, but I suppose men
like me never do. I'm a bit obvious,
aren't I? You're not though, you're very
butch and all man. I wish I did like you,
and that I could speak german and
russian and knew all about the Jews
teeding over everything. Hope they don't
stop your next book coming out, I hope
also you'll send me a copy, I'll write
and let you know my new address.
Love Budzy.

Dear Dave,

I PHoned the number you gave me 409 7048 but couldn't get through, all I could get was a high pitched whine. When I reported to the operator, she said it was a fax and that I should try again later. I did but you had it on all day. I don't understand all this space age stuff. I'm afraid. I don't know how much longer I'll be staying here, I'd much rather sleep in a proper bed like I did when I stayed with you. All the men here smell terrible and some of them take micks out of me. It's nice to meet a proper gentleman for a change. I wish I could have stayed with you longer, but like you said, people wouldn't understand.
Love So
